Dear Mr. Pagone,

Thank you for your generous donation of supplies to the Village, which will help support our first responders during this crisis. As the coronavirus pandemic continues to evolve, properly equipping our first responders with personal protective equipment is more important now than ever. Unfortunately, due to the high demand for such equipment, it is also more difficult than ever to procure needed supplies.

Thanks to your generous donation, we are in a better position to protect our first responders during this pandemic, so that they can continue to work on the front lines to keep our community safe and healthy.

On behalf of the Village, please allow me to once again express our sincere gratitude for your generosity. We will get through this crisis as a community by supporting one another, and your support during this time means a great deal.

Sincerely,

Craig B. Johnson
Mayor

THANKS
AGAIN!
